

Just for Fun

What is JFF besides a pink flamingo with sunglasses and flip-flops? We're a social group of energetic friends who enjoy having a good time and giving back to the community while we're at it. Some of us are still working and looking forward to retirement; some of us have already retired and are looking forward to no work. But one thing we all have in common: we like to chill out, lighten up and have fun!

We also like to stay busy, so we pack the calendar with lots of fun and crazy events. We have TGIFs, dinners, luncheons, outings, and anything else that strikes our fancy. On a more sober, ahem... note, our awesome Reading Group and artistic and educational outings provide food for the mind, while our charitable events provide food for the soul.
